Dear Sir:

On behalf of MARATHON OIL COMPANY, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Haynesville Sand, Reservoir C, and the Haynesville Zone, Reservoir D, in the Haynesville Field, Claiborne Parish, Louisiana:

1. To permit the applicant to drill, complete and produce an alternate unit well for HA RC SUA, at the location shown on the attached plat, or at any legal location within such unit.
2. To permit the applicant to drill, complete and produce an alternate unit well for HA RC SUI, at the location shown on the attached plat, or at any legal location within such unit.
3. To permit the applicant to drill, complete and produce an alternate unit well for HA RC SUJ, at the location shown on the attached plat, or at any legal location within such unit.

4. To permit the applicant to drill, complete and produce an alternate unit well for HA RC SUK, at the location shown on the attached plat, or at any legal location within such unit.
5. To permit the applicant to drill, complete and produce an alternate unit well for HA RD SUE, at the location shown on the attached plat, or at any legal location within such unit.
6. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Haynesville Sand, Reservoir C, and the Haynesville Zone, Reservoir D, in the Haynesville Field underlying HA RC SUA, HA RC SUI, HA RC SUJ, HA RC SUK and HA RD SUE, respectively, which cannot be efficiently and economically drained by any existing well in such units.
7. To provide that the unit allowable for each of such units may be produced from either the unit wells, the alternate unit wells, or any combination thereof, at the operator's discretion.
8. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Haynesville Sand, Reservoir C, in the Haynesville Field, Claiborne Parish, Louisiana, is fully defined in Office of Conservation Order No. 35-R-3, effective June 11, 1991.
